

Octopus 8

“The sea, once it casts its spell, holds one in its net of wonder forever.” Jacques Cousteau

This is a contemplative, mesmerizing piece. In *Octopus 8*, the viewer becomes the small fish hypnotized by the spiraling figure eights, caught and held in its motion.

The figure light or the infinity symbol represents eternity, empowerment and eternal love. It has no beginning and no end. The octopus is associated with adaptability, creativity, intelligence and mystery.

This quietly beautiful artwork draws one into its rhythm! With beautiful earth tones, it would look amazing in any room.
